

EMISSION CLASSIFICATION OF BUILDING MATERIALS

Skano Fibreboard OÛ

The classification working group set up by the Building Information Foundation RTS sr has approved the following product:

Huokoleijona
ISOPLAAT Sheating Board
ISOPLAAT Standard Board
ISOPLAAT Underlay
Lattialeijona
Remonttileijona
Runkoleijona
Tuulileijona

as belonging to emission class M1 for building materials.

The classification is valid until 20.9.2019.

Skano Fibreboard OÛ has the right to equip its classified products with the classification mark and to use this classification mark when marketing these products.

The decision is in line with the requirements laid down in the Classification of Indoor Climate 2008 and the Classification of Building Materials: General Instructions.
